What does our Setting Up For High Performance course cover?

Setting the Foundation for High Performance

This course is for existing and ambitious team leaders, line managers and staff supervisors who want to take their team - and themselves - to the next level.

You'll see how the foundation for high performance is built on firm principles that are easy to put into action, but all too often ignored.

With attractive screens, interactive content and -- most important of all -- content written by experts in doing the job, you'll get the skills you need to maximise your success as a staff supervisor or team leader.

This High Performance Teams skills training course, like all our courses, has been developed over many years of classroom and online delivery. Content has been thoroughly researched and is constantly updated so it's always leading edge. It's completely interactive and is full of practical knowledge and solutions.

Still wondering whether to do the course?

Just think about this: how much would you benefit if you had better high performance teams skills?

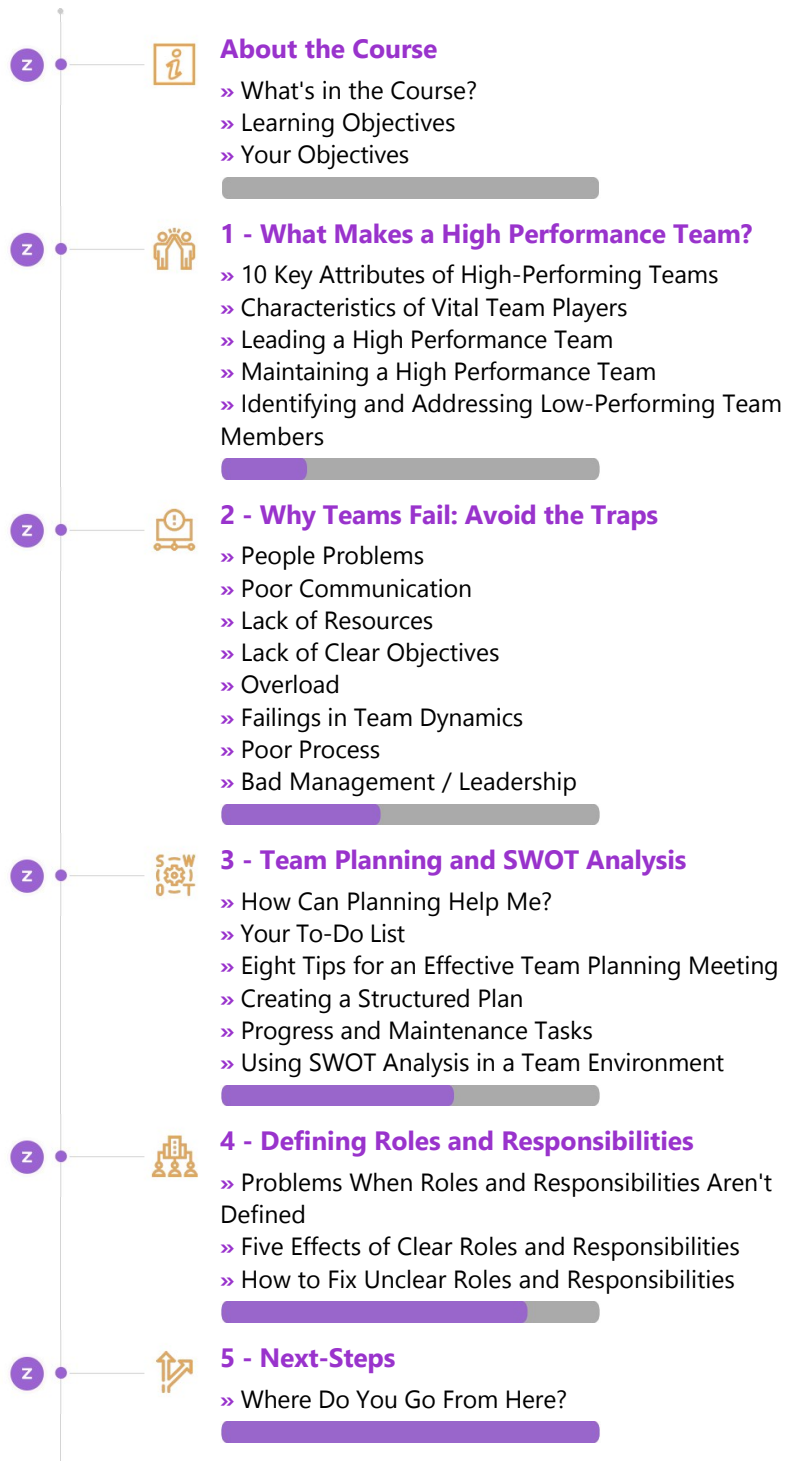

Course requirements

This course is aimed at those already in a position involving leading and managing a team of people. We strongly recommend that you have the knowledge and/or training that covers the content of our two Team Leader courses: Fundamentals and People Skills.

Who's this course for?

Existing team leaders, line managers and staff supervisors who are looking for an interactive, practical course that will give them a solid and structured insight into how to set up their team for high performance.

Course content for Setting Up Your Team For High Performance

And There's a Great 53-page Workbook...

How about realizing your **full potential**?

Choose the **Development** course option and get your own great, results-focused downloadable workbook.

The workbook features:

- **Summary notes** of the course to refer to as you go

- Apply the lessons in each module to your own situation and needs
- The **unique ZandaX Personal Action Plan** with four structured Follow Up Sessions for you to monitor and manage your ongoing development
- A final Review Session for you to see just **how far you have come!**

More about the ZandaX Setting Up Your Team For High Performance course

Set Your Team Up Ready for Success!

Learn how to set up your team for high performance

This fully interactive online workshop provides the skills, knowledge and rules for action that will enable anyone in charge of a team to create the foundation for higher performance.

You'll see what it takes to make a high performance team, and get a thorough insight into why teams fail, so you can avoid the same fate! You'll learn a robust planning process and how to use a SWOT analysis to help. And you'll benefit from a module on defining roles and responsibilities - and how to fix things when this isn't in place.

You'll learn and understand the methodology to set up your team for great results, the knowledge of which will last you for the rest of your career.

Watch the modules, revisit them time and again ... and have fun with improving your skills!

Learning options

This course is delivered as fully interactive online content which you can pause, re-run and revisit as often as you like. You can view the content in any order, and review whatever you like at any time.

The course is offered with the following option:

Fast Track option

You don't get extra learning resources, but it's a quick and easy way to go.

This option is for you if you want good coverage of the subject but have limited time or budget.

Development option

This is our most popular course option because it also includes a comprehensive ZandaX workbook and Development Plan which allows you to engage fully and deepen your understanding enormously.

This option is for you if you're serious about your development.
