More about the ZandaX The New Manager: Choosing Your Management Style course

Which Management Style is Best For You?

In this course, we show you to understand and draw on the different styles of management, and evaluate what's most suitable for you, while staying true to yourself!

You'll start by going through the ten main management styles, how they fit into three main groups, and what's good (and bad) about all of them. And how they may be relevant to you.

Then you'll see how to identify a management style that's right for you - and how you may need to adjust how you work. But also how you must always be authentic so your style is natural and consistent.

When you've taken this highly informative course, you'll be able to evaluate your own style, and how to make adjustments that will boost your effectiveness as a manager.

Watch the modules, revisit them time and again ... and have fun with improving your skills!

Learning format

The course is offered as follows:

You'll learn using easy-to-follow on-screen videos which you can pause, re-run and revisit as often as you like, and also through interactive content with short quizzes and questions appropriate to the course subject. You also get a comprehensive ZandaX workbook and Development Plan that you can use to reinforce your learning.

The course is arranged into modules, each with several lessons. Refer to the course content for more details on what's covered. This combination of videos and interactive content will enable you to get a thorough understanding of the subject.
